Granite State National SCCA National Races

The event was held at the 1.60 Mile North Chicane and NASCAR Turns 1 & 2 course of the New Hampshire Motor Speedway in Loudon, NH on April 10 & 11, 2010. The National Races consisted of 6 plus a Pro IT & Restricted Regl race groups. The sanction number for the National Race is 10-N-977-S. The sanction number for the Pro-IT and the Restricted Regional is 10-R-978-S.

Two qualifying sessions for each race group in the National races and the Pro-IT was held Saturday. The Pro-IT race was run after qualifying on Saturday. Races were run on Sunday. Qualifying and Race for the Restricted Regional was held on Sunday.

The weather was cold, raw and very windy.

Due to the difference between the timing ling and Start/Finish no lap records may be set on the first lap.

Despite pre-event testing, the loop failed completely/intermittantly/completely during this event. Watch times were used to determine qualifying for cars whose transponders did not register. Two manual charts were used to determine final race positions.

The TeamDI Pro-IT had a 30 lap/45 minute race at the end of Saturday. The restricted regional had a 45 minute timed race at the end of Sunday.

Special recognition should go to Denise Patten, NEDiv Divisional Administrator of Timing & Scoring, who organized and managed the watch timing when the loop failed on Saturday morning.

The races ran close to schedule. The 6 National races were 30 laps as published. The Pro-IT was 30 laps as published. The Restricted Regional was 45 min. as published.

Timing and Scoring ran a crew of 10 on Saturday, , and. 7 Sunday.
